How to Install Soft Close Full Extension Drawer Glides

WHAT YOU NEED

- (2) Front mounting brackets
- (2) Rear brackets
- (2) Drawer glides
- Set of screws (included)
- Screw driver or power drill

STEP ONE: INSTALL FRONT MOUNTING BRACKETS

- Each front mounting bracket is designed to fit one side: left and right
- Position each bracket in its designated corner and attach using the screws provided

STEP TWO: INSTALL REAR MOUNTING BRACKETS

- Locate the pre-drilled holes on each side, left and right, at the back of the cabinet
- Attach each rear mounting bracket to the back of the cabinet box using the screws provided

STEP THREE: INSTALL DRAWER GLIDES

- Slide each drawer glide into the grooves located on the rear mounting brackets
- Attach the drawer glides onto the face frame using the screws provided

STEP FOUR: INSTALL DRAWERS ONTO GLIDES

- Position the drawer box onto the glides
- Slide the drawer box forward and listen for the click
- Your installation is complete!
